MEMORANDUM FOR: Deputy Director for Administration

FROM: Harry E. Fitzwater
Director of Training

STATINTL

SUBJECT: Hiring of Military Annuitant: [REDACTED]
Colonel, United States Air Force

1. The attached memorandum to the Director of Central Intelligence requests a waiver from the policy of not hiring U.S. Government annuitants. We would like to hire Colonel [REDACTED] United States Air Force, because of his unique experience and other qualifications. We have not been able to find suitable candidates for the job in the Agency after the issuance of two Agency-wide vacancy notices. This problem was encountered earlier while finding a replacement for a less demanding vacancy. Because of the paucity of applicants in the open market, over twenty months elapsed before a replacement was recruited and hired. None of the earlier applicants were adequately qualified for the current vacancy, and no potential applicants are known now.

[REDACTED] Office of Central Reference, DDI, presently a student at the Industrial College of the Armed Forces (ICAF), recommended [REDACTED] to us as "an outstanding instructor on the ICAF faculty." It has been necessary to go outside the Agency to find qualified instructors in information science for the two most recent vacancies in the Information Science Center.

2. Recommendation: It is requested that you forward the attached memorandum to the Director of Central Intelligence for his consideration.

3-5 There are a number of things about this that I think need further info. 1st at what grade? What salary? Why not someone who is not an annuitant etc etc. This doesn't bode well for our recruiters - I'd like to know or hear their side of the story. I've bet the DCI has a list of candidates a mile long.
